THE FIVE PRINCIPAL CHARITIES THAT WE ARE SUPPORTING THIS YEAR.**

RADIO DEVON AIR AMBULANCE APPEAL

BBC Radio Devon presenter Judi Spiers made the official announcement live on air.

The aim of the BBC Radio Devon Air Ambulance Appeal is to not only raise the profile of the charity, but also to encourage and engage BBC Radio Devon listeners to help raise in the region of £600,000 in order to facilitate the ordering of a new EC135, to replace the current leased aircraft.

This campaign is extremely important. It not only enables us to communicate with a large number of our supporters and future supporters at the same time, but also further raise the profile of what the service does, and what the charity does in order to raise the £4 million needed annually, together with the people behind the scenes.

‘We already own one of our helicopters, which went into operation in October 2008. We have proved since this time that it saves the charity money - saving in excess of £10,000 each month. This means every single £1 donated by the community, businesses and friends of Devon goes that bit further. It was logical to look forward and do the same with the other aircraft, which is leased, and comes up for renewal in 2013.’

SOUTH WEST

making the most of short and precious lives

At Children's Hospice South West we care for children who have illnesses which mean they will die before reaching adulthood. We provide expert care for them, their parents and well siblings.

If you are new to us, then this is the place to find out more about our work. We hope that you will find that despite the serious nature of our work, our hospices are joyful places filled with love and laughter and that supporting our sick children and their families can be both fun and fulfilling.

'HELP OUR WOUNDED' (THE ROYAL MARINES CHARITABLE TRUST)

Help Our Wounded brings together the wider Royal Marines family in raising money for the RMCTF. It focuses on individual and community based fund raising using the Facebook social networking site

www.facebook.com/HelpOurWounded

WATER AID

WaterAid is an international non governmental organisation. Their mission is to transform lives by improving access to safe water, hygiene and sanitation in the world's poorest communities. WaterAid's vision is of a world where everyone has access to safe water and sanitation.

'The Local WaterAid Group is pleased to be part of the Rotary Kite Festival. Come and see us at our stand and join in the Poopla Game. Have a go on the WaterAid Pump or come and have a chat.'

ST JOHN AMBULANCE

The Exmouth branch of the St John Ambulance has provided First Aid Cover for all of our Kite Festivals, for which we are extremely grateful.
